

A photograph of a sunset over a beach. The sun is low on the horizon, partially obscured by large, dark, dramatic clouds. The sky is a mix of orange, yellow, and grey. The sun's reflection is visible on the wet sand of the beach. A person is walking away from the viewer on the beach, their silhouette clearly visible against the bright light. The background shows a dark silhouette of a forested hillside.

**U**nbelievable mythical truths  
Self-evident to some  
Embellished and polished with overuse  
Presented passionately by preachers  
Evangelists, missionaries and tricksters  
Assisted by patriots and politicians  
Ardent exponents and proponents  
Of sin, salvation, and damnation  
In limbo paradise and purgatory  
Somewhere in the solar system  
Perhaps behind a whispering cloud  
Or underneath a railway station.

## A Pixie

**P**retence played below me in the garden  
Acting as if I wasn't there—  
—Up above  
Watching and wondering.  
Seeing something diabolical underneath  
Recognisable in my mind  
As fear.  
Those disturbing thoughts tormented me  
While premeditation posed  
Exposing artifice by way of provocation  
Torturing—  
—Until I prudently descended.
