INTRODUCTION

In the late 1970's, an awakening, an upheaval was erupting deep inside my soul and in all the common events of my life. At first, this awakening began as a slow rumble, and then as more tribulation and upheavals occurred in my life, the stronger these utterances burst forth from within. Unwittingly, in child likeness, I attempted and began to write down what my inner child said. This wonderful radical change is a wellspring of living water pushing forth stronger, stronger, bolder, and brighter every day.

DEDICATION

Everything expressed and reflected upon in these verses are dedicated to my fellow pilgrims in the faith who also are yoked with the Master on this journey called LIFE! We are here to testify and to seek the fellowship God through His Son, Jesus the Christ through the sanctifying power of the Spirit of God every day, with every breath, with everyone.

MY JOURNEY'S END

May 1991

I am just a pilgrim in this earthly place.
I am only a foreigner in a dry and hungry land.
I was sent to taste the life of flesh and to show the
Father — where and how my life would be spent.

By the calling and choosing of the Father in my
earthly tent — I was introduced to Jesus Christ,
his only begotten Son he sent. The sweet
Nazarene, sent to save this world from its
destructive path.

Being so in love — the Father up above. He loved
us first, we love him now at long last and now our
journey's end will soon be a past.

Sweet eternity with my heavenly Father and our
Lord Jesus Christ — will be my reward for
overcoming flesh, the world, my soul, envy and
strife. Oh, what a joy and rest to know — that I do
have eternal life.
