Lyrics marked (D) have already been demo'd. If you would like to hear those demo's or if you would like to hear my thoughts on how a particular song might sound please email me at [djmcmjam@gmail.com](mailto:djmcmjam@gmail.com) and I would be happy to forward them to you.

## *Ain't it Somethin' (D)*

### **V1:**

Think about this - if we weren't alive - think of everything we'd miss.  
The joy of love — the joy of life  
the joy of being — the joy of everything — we're now seeing.

### **Chorus 1:**

Ain't it somethin' — this life that we're livin'  
ain't it somethin' — this chance we've been given.  
Walk live and breathe — given everything we need.  
Ain't it great — ain't it grand  
everything we'd hoped for — everything we'd planned.  
Sharing this world — planting the seed  
everything's here — everything we need  
and it's all ours — and it's all free.  
Ain't it somethin' — ain't it.

### **V2:**

Think about life - because we're alive - think of everything we've got.  
The joy of love — the joy of life  
the joy of being — the joy of everything — we're now seeing.

### **Repeat Chorus 1:**

Ain't it somethin' — this life that we're livin'  
ain't it somethin' — this chance we've been given.  
Walk live and breathe — given everything we need.  
Ain't it great — ain't it grand  
everything we'd hoped for — everything we'd planned.  
Sharing this world — planting the seed  
everything's here — everything we need  
and it's all ours — and it's all free.  
Ain't it somethin' — ain't it.

### **V3:**

Don't waste this - if we miss the chance - think of everything we'll miss.  
The joy of love — the joy of life  
the joy of being — the joy of everything we're now seeing.

### **Chorus 2:**

Ain't it somethin' — this life that we're livin'  
ain't it somethin' — this chance we've been given.  
Ain't it great — ain't it grand  
everything we'd hoped for — everything we'd planned.  
Ain't it somethin' — ain't it.

## *Better Than Sex* (D)

### **V1:**

Yeah yeah — take off again  
run away from responsibility  
as usual — leave it all to me.  
Nothing's new — nothing's changed  
you guys are all the same  
no care — no responsibility.

### **V2:**

Out with the boys  
or playing with your toys  
when are you — gonna become a man.  
Or is this a case of what you see — is what I am  
hope not — 'cos I'm not happy with what I've got.

### **Chorus 1:**

Wish I'd known from the start  
guys are driven by the groin — not driven by the heart  
for you it's only sex - for me it's what comes next — that's the best.  
Love is better than sex - you don't believe me ask your ex.  
From a girl's point of view - love will always do  
a girls take on sex - give me what comes next.  
Love is better than sex  
better than — better than — better than sex.

### **V3:**

Guys just don't get it - sex is not the summit  
love conquers all  
if it's sex you're after — you're in for a mighty fall.  
Hold my breath — count to ten  
can't you understand - I want more from my man  
I want your love — wanna know that you can.

### **Chorus 2:**

I wish I'd known from the start  
guys are driven by the groin — not driven by the heart  
for you it's only sex - for me it's what comes next — that's the best.  
Love is better than sex - you don't believe me ask your ex.  
From a girl's point of view - love will always do  
a girls take on sex - give me what comes next.  
Love is better than sex  
better than — better than.  
Love is better than sex - if you don't believe me ask your ex.  
Love is better than sex - if you don't believe me - watch what's next.  
I will be your ex.
