# **Dedication**

I dedicate this book to the millions of precious people around the world that desire to live a happy, healthy, prosperous, successful, and fulfilled lifestyle on earth. I want you to know that I sat where you seat. Our victory and success in life is not based on our good deeds, but it is based on what Christ has done and our faith in Him. You are a supernatural seed that God has planted on this earth for recognition, prominence, and honor.

**“Your dominant thoughts influence your decisions, which ultimately determines your destiny. You are in control of your destiny. You can shape your world right side up from your inner world.”**

# Introduction

What is stopping you from success? No matter when, where, and why you have failed, answer the following questions:

- If I could show you how powerful you are as a person, what dreams would you set for yourself to achieve?
- If I could show you how to change your financial blueprint, how much inflow would you be comfortable with?
- If I could show you how to banish fear from your life, what inadequacies and groundless excuses would you want to change?
- What are you so passionate about? What gifts and talents flow out of you naturally?
- Lastly, if I could show you that the Lord Jesus Christ has broken the devil's dominion over your life, would you accept his lordship over your life?

Friend, there is nothing limiting you except the limits you have set for yourself. You will not only discover God's plan for your life, but also you will learn to take advantage of it and run with it. Welcome to the Winners' World.

# Who Are You?

I can authoritatively tell you that you are not an accident on earth. You also are not a nameless being, moving about aimlessly without direction.

No matter your race, tribe, or tongue, the fact is this: God was on hand when you were born. He has a perfect loving plan for your life. Cheer up. I am here for your lifting and liberation. Your hour of liberty has come.

You are valuable to God, such that He crowned you with glory and honor, and then placed you in a world of abundance. You were then created by God to think, talk, and act like Him. You were created to live His kind of lifestyle here on earth. It is a lifestyle of dominion.

For your information, the man God created in the Garden of Eden is a Spirit. In order for him to find expression on earth, God formed a body out of the earth, breathed into it, and called him Adam. Although the devil came and deceived man and his wife to disobey God, and they were later driven out of God's presence, God never gave up on His man. He never gave up on His dream of sharing His dominion or lifestyle with us.

God hatched a plan to redeem people from being slaves to the devil. Jesus Christ was the perfect sinless substitute that became sin with your sins, sick with your diseases, and poor with your poverty. He satisfied the claims of justice and obtained

eternal redemption for mankind.

Nothing of your past is condemning you. The devil cannot use your past against you any more. Why? Jesus took your past and put it away as far as the east is from the west.

Now in Christ Jesus:

You are a new creation.

You are no longer under any condemnation.

You have the very life of the great God in you.

You are a superman—irresistible and awesome.

You are the righteousness of God.

You are more than a conqueror.

You are a champion and an overcomer.

You have been delivered from Satan's dominion,
